#### Agenda

- Call to order
- Public participation

Communications can be delivered via email to the library director at the link above.

- Special resolution
- Review previous meeting minutes
- Financial report

Treasurer's update

Personnel report

**Personnel actions** 

- Director's report
- UHLS report
- New business
  - o Board meeting videoconference policy
  - o M/C salaries for 2022-23
- Old business
  - o Building committee
    - Report
    - Proposal from architect
- Future business
- Public participation
- Executive Session
- Adjournment

Next board meeting: July 11, 2022 6:00pm

Next Friends of the Library meeting: June 20, 2022

#### RESOLUTION NO. 2201 Adopted June 13, 2022

#### HONORING MS. MARY REDMOND FOR HER 10 YEARS OF SERVICE ON THE BETHLEHEM PUBLIC LIBRARY BOARD OF TRUSTEES

WHEREAS, Bethlehem Public Library, within its charter, maintains the power and authority to adopt such ordinances and resolutions as it shall deem proper in the exercise of its powers; and

**WHEREAS**, Bethlehem Public Library has been grateful for the service of Mary Redmond as library trustee for the past 10 years, serving as president for five of those years; and

WHEREAS, Ms. Redmond has served as trustee on the Bethlehem Public Library Board of Trustees through two terms of five years each, and during that time helped shepherd through a major upgrade to the library's HVAC system; and

WHEREAS, during her time on the finance committee and her tenure as president, Ms. Redmond was a strong advocate for the financial health of the library including advancing numerous financial policies, strengthening financial controls, and advocating for the creation of the District Library Treasurer position; and

**WHEREAS**, Ms. Redmond intends to step down from the Bethlehem Public Library Board of trustees after 10 years of service; and

**WHEREAS**, Bethlehem Public Library desires to recognize, honor and thank Ms. Redmond for her dedication, financial oversight and hard work toward the betterment of the library.

**NOW, THEREFORE, BE IT RESOLVED,** that Bethlehem Public Library extends its most heartfelt appreciation and best wishes to Ms. Mary Redmond. She has admirably served the library as trustee and president, among her many contributions.

**BE IT FINALLY RESOLVED,** that this Resolution shall be entered into the Bethlehem Public Library minutes, and a certified copy featuring the library seal be given to Ms. Redmond in evidence of Bethlehem Public Library's admiration and gratitude for her service.

Geoffrey Kirkpatrick, Library Director

Mark Kissinger, Board President

#### MINUTES OF THE BOARD OF TRUSTEES MEETING BETHLEHEM PUBLIC LIBRARY (VIRTUAL) DRAFT Monday May 9, 2022

PRESENT: Caroline Brancatella

Mark Kissinger Harmeet Narang Mary Redmond Lisa Scoons Michelle Walsh

Charmaine Wijeyesinghe

Sharon Whiting, library treasurer

Geoffrey Kirkpatrick, director Kristen Roberts, recording secretary

#### **EXCUSED:**

GUESTS: Catherine Stollar Peters, assistant director

Chris McGinty, assistant director Tanya Choppy, accounts clerk

Tracey McShane

\*All present via Zoom broadcast live on YouTube and the library website.

President M. Kissinger called the meeting to order at 6:00pm.

#### **BUDGET PRESENTATION**

- S. Whiting presented the 2022-23 fiscal year budget. She said she wanted to highlight a few important things that have been budgeted for:
  - Two new staff positions
  - More funds for both electronic and physical materials to reduce wait times
  - A one-time upgrade to the library's financial software
  - An increase in energy costs
  - The elimination of most library fines

She noted that the levy increase of 3.25% was within the state limit. C. Wijeyesinghe asked for some clarification for the public. S. Whiting said the library had no levy increase last year and so a greater percentage was available to ask for and the 3.25% reflects an increase over a two-year period.

M. Redmond noted that savings from the HVAC system upgrade a couple of years ago have kept the energy cost increases manageable.

#### PUBLIC PARTICPATION

There was no public participation at this time.

#### **MINUTES**

Minutes of the 11 April 2022 board meeting were approved unanimously on a MOTION by M. Walsh with a SECOND by C. Wijeyesinghe.

Minutes of the 27 April 2022 special board meeting were approved unanimously on a MOTION by M. Redmond with a SECOND by C. Wijeyesinghe.

#### FINANCIAL REPORT

Treasurer's update

The board noted S. Whiting's treasurer's report. Additional items:

- C. Wijeyesinghe said she had asked about the expenditures for print versus electronic
  materials. G. Kirkpatrick said that because print materials are ordered so far in advance, the
  line at times looks lower than e-materials, which can be purchased and expensed
  immediately.
- S. Whiting said that the six-month Treasury bill investment had been made May 3. As it approaches Nov. 3, she said she would talk to the board about options and make a recommendation. She noted that, moving forward, it would appear on the cash and investment portion of the monthly financial report in the board packet.
- M. Walsh thanked S. Whiting for finding and implementing that investment opportunity.

On a MOTION by M. Redmond with a SECOND by M. Walsh, the board unanimously approved the Financial Statement dated 30 April 2022 (Checks disbursed in April 2022 based on pre-approval \$36,396.29; Checks disbursed in April 2022 relating to payroll \$188,546.72; Checks being submitted for approval \$114,982.53; CapProject Fund/Hand-Drawn Checks \$0; Total: \$339,925.54).

#### PERSONNEL REPORT

G. Kirkpatrick reported that L. Kozilski will be joining the library as the new Librarian II, program and outreach team leader.

On a MOTION by C. Wijeyesinghe with a SECOND by C. Brancatella, the board unanimously approved new hires for the following vacancies:

- Library Page, part-time, permanent, 12.8 hours/week, \$13.20/hour
- Library Clerk, part-time, permanent, 11.67 hours/week, \$14.17/hour or per contract

On a MOTION by M. Redmond with a SECOND by C. Wijeyesinghe, the board unanimously voted to authorize the director to enter into a settlement agreement in the amount of \$37,373.52.

#### DIRECTOR'S REPORT

The board noted the director's report. Additional items:

- Masks are still optional at the library. There are signs on the front door strongly encouraging them. Many patrons and staff are choosing to wear masks. G. Kirkpatrick said he would continue to monitor the numbers and state and county rules to see if any changes to the current policy become necessary.
- M. Walsh asked if there was a way to know how many requests there might be for a museum pass the library no longer has. G. Kirkpatrick said the library relies on the public to make those requests, and there is a form available on the website and in person to request new materials.
- Board members were invited to march in the Memorial Day parade. The library will be handing out color changing pencils again this year.
- G. Kirkpatrick thanked the Public Services staff for all the work they have done to bring back more programming, including storytimes.

- The library had to close the waitlist for teen volunteers because of the overwhelming interest. He said that volunteer opportunities are one of the services the library provides to the community.
- Circulation numbers continue to climb to something over 90 percent of pre-pandemic numbers. Door count is still lagging a bit, and there aren't as many people using the library as a study space as in the past. M. Walsh said she had heard from two people asking whether study rooms were now available. H. Narang asked if there could be some dedicated communication to reach those less likely to know that study and meeting rooms are once again available to the public.
- Public meetings are currently booking in the Community and Board rooms, with the kitchen available. The library is working on ways to allow those groups to easily host hybrid virtual/in-person meetings.

#### **UHLS REPORT**

L. Scoons reported that it is a busy time of year for the UHLS board and they are reviewing submissions for the annual awards. The celebration is scheduled for Friday, June 3, at the Colonie library. The board also finished their racial equity training and are in the process of giving some feedback.

#### **NEW BUSINESS**

#### 5G phone hotspot proposal

G. Kirkpatrick said the library needed to replace the current WiFi hotspots that are being loaned out because the Sprint devices would be sunsetting at the end of June. He said the current hotspots run on the 4G network, but as the library needs to replace them anyway, upgrading to 5G would provide a better service for people. He noted that the library hadn't received complaints about the 4G capability, however it is much less able to handle video conferencing.

The board asked what people tend to use the devices for when they check them out. G. Kirkpatrick said that while that is not tracked specifically, most people report taking them on vacation or using them for essential internet service when it is not available.

The cost of upgrading to 5G over just replacing the 4G ones is more than double, averaging about \$10,000 per year over three years. H. Narang asked if the library had looked at providers other than T-Mobile. G. Kirkpatrick said the other providers were significantly more expensive than T-Mobile.

The board reviewed the cost estimates. M. Redmond said she believes the need for 5G access will only potentially grow in the coming months. M. Walsh said the WiFi hotspots are a well-used service and 5G has a greater capacity for growth so she would be in favor of moving in that direction. The rest of the board agreed with replacing the devices with 5G versions. G. Kirkpatrick said he would return next month with a quote for the devices and service that can be voted on.

#### *Investment policy*

S. Whiting presented the library's investment policy and internal controls document noting that in the policy it is required that the board review it annually. She said the Finance Committee had looked at it and are not recommending any changes at this time. G. Kirkpatrick said the policy already accommodates the process used to invest in the treasury bills. C. Wijeyesinghe asked why the policy was structured in a way that allows the treasurer to enter into some investment agreements as they see fit. G. Kirkpatrick said that it is structured in the same way as the school district policy with guidance from BCSD's Judy Kehoe. S. Whiting noted that any financial activity is reported to the board in the monthly report.

On a MOTION by C. Wijeyesinghe with a SECOND by C. Brancatella, the board unanimously reaffirmed the library's investment policy.

#### Open meetings law changes

- G. Kirkpatrick said he wanted to start the discussion about allowing board members to participate in meetings virtually once the emergency order allowing all-virtual meetings expires. Moving forward, the board will have the option of allowing some members to participate and vote virtually as long as there is an in-person quorum. The virtual board members would not need to provide an address accessible to the public in order to do this. To have this as an option, the board would need to define and vote on the circumstances under which attending virtual would be allowed, as well as hold a public hearing announcing the changes.
- C. Wijeyesinghe said that as a member of the policy committee, she would be interested in the staff putting together an initial draft of the policy for the committee to work with. M. Kissinger said he wanted to make the circumstances for virtual attendance as broad as possible.

#### Other new business

Included in the board packet was a proposal for five new laptops that would be equipped with video editing software. The machines can be used to create content for the library's Public Access Television Station so the purchase is eligible for reimbursement from PEG funds.

On a MOTION by M. Redmond with a SECOND by L. Scoons, the board unanimously voted to purchase five Dell laptop computers at a cost of \$9,993.95 to be paid for with PEG public access money from the town of Bethlehem.

#### **OLD BUSINESS**

#### Director evaluation process

C. Wijeyesinghe said that the personnel committee had finalized the timeline for the director's annual evaluation. She said the questions provided in the board packet would form the framework for a survey of staff responses. She noted a correction to one of the questions and asked the board to send any comments or feedback about the questions her way. M. Walsh asked the reason for doing the evaluation every year and said she wanted to be sensitive to adding too many tasks to the director's plate. G. Kirkpatrick said he welcomes the opportunity to have that conversation and reflect.

#### Building committee/Recommendation for architectural design services

H. Narang said the building committee had met with three architects and all had a fair amount of experience. The committee was recommending Ashley McGraw Architects to do any future design work based on their experience with bonding projects and SED approval. C. Wijeyesinghe asked G. Kirkpatrick if he could share with the boards the examples provided by the firm.

On a MOTION by H. Narang with a SECOND by C. Wijeyesinghe, the board unanimously voted to use Ashley McGraw Architects for library design work related to the Long-Range Plan.

#### Other old business

There was no other business at this time.

#### **FUTURE BUSINESS**

M. Redmond asked if the Storch Technology Fund could be used to help cover the cost of upgrading the library's mobile Wi-Fi devices/service to 5G. G. Kirkpatrick said that it would fall under the approved uses and he would look into it.

#### PUBLIC PARTICIPATION

There was no public participation at this time.

#### **EXECUTIVE SESSION**

On a MOTION by M. Redmond with a SECOND by C. Wijeyesinghe, the board adjourned to executive session at 7:24pm to discuss the employment history of a particular individual.

On a MOTION by M. Redmond with a SECOND by C. Wijeyesinghe, the board adjourned executive session at 7:43pm.

#### **ADJOURNMENT**

On a MOTION by M. Walsh with a SECOND by H. Narang, the board adjourned the regular meeting at 7:44pm.

Prepared by Cosigned by

Kristen Roberts, recording secretary M. Kissinger, board president

## Treasurer's Report June 2022

#### Revenue and Expense Report

The revenue and expense report through May continues to show underspending in many categories, with expenses currently tracking at 9% underbudget. I expect that we will have a budget surplus in the neighborhood of \$350,000.

You will note that the Treasury Bill purchased on May 3 appears in the cash and investment report. The pricing on the T-Bill varies slightly from day to day so there will be a small unrealized gain or loss reflected each month. The Treasury Bill cost was \$993,201.88 but we deposited \$1,000,000 into the account, thus the balance of the account as of May 31, including a small unrealized gain, is \$1,000,648.14.

Sharon Whiting CPA
District Library Treasurer

#### **CASH & INVESTMENTS SUMMARY**

#### AS OF 5/31/22

	BALANCE					BALANCE
	4/30/2022	RECEIPTS	DISBURSEMENTS	EARNINGS	TRANSFERS	5/31/2022

#### Director's Report June 2022

#### **Budget vote and annual election**

Special thanks to the community for their support. This year's budget passed with a wide margin. The final tally was:

Yes: 3,905 (84.36%) No: 724 (15.64%)

One candidate seat was open this year. Sarah Patterson was elected to a five-year term with 1,788 votes. We look forward to welcoming her officially at the July 2022 Board Meeting.

#### **COVID** and Phased Reopening

The library continued to experience significant impacts to staffing due to COVID-19 and related absences. Library staff have been instructed to follow NYS Department of Health guidelines about quarantine and isolation.

May was a particularly difficult month for the library due to staffing shortages. We had a large number of unexpected absences. Thank you to all the staff who covered for colleagues. The Public Services Department was hit particularly hard and programs had to be cancelled because of staffing issues.

#### **Public Services**

The Studio Makerspace is not yet available for the public to book through our online room request system but this work is well underway. We are accommodating in-person requests from the public to use the space.

We had an overwhelming number of teens trying to volunteer at the library to fulfill community service requirements for school. We took as many teens as we could. Tasks included assisting with the book sale, decorating the parade float, packaging seeds, and pulling books and other items for the librarians to evaluate. Chris oversaw these teen volunteers and worked closely with them on the book sale and parade float.

#### **Programs**

Anne and Kate created the script for a summer reading video to share with the elementary schools. Sarah assisted by filming portions of the accompanying video. The video is available on our YouTube channel.

Patti has printed over 2,800 summer reading flyers and bundled them into packets to be distributed to the elementary, middle, and high school. They will be dropped off along with a

poster to advertise the Summer Reading Program. She also printed and cut 600 summer reading bookmarks.

The Summer Reading Challenge *Oceans of Possibilities* begins Monday, June 20, for children, teens, and adults.

Friend's book sale fundraiser – Michael arranged for two musical performances at the event by Warren Sieme (noon) Steve Lambert (2 p.m.). Many people sat to listen to these performances that were also enjoyed by patrons as they browsed the book sale.

Luke arranged for the *Friendship and Art on the Trail: Shared Experiences at Partridge Run* program. Local authors Diane Kavanaugh-Black and Carole Fults led a lively discussion of their co-written book of poetry, essays, and photographs *A Walking Friendship: The First 500 Miles*. The authors signed copies of their book and were surprised by family members who traveled from out of state to attend the event.

Sharon arranged for Ellie von Wellsheim from The MoonCatcher Project to conduct the *Sewing Bee: Helping School Girls Around the World* program. Over 20 participants sewed and assembled reusable menstrual management kits (pads and carrying bags). The MoonCatcher Project's mission is to "optimize girls' lives worldwide by removing barriers related to menstruation." It aims to help girls stay in school by distributing these products to those who need them in 30 different countries around the world. Luke covered the program and said the participants had a great time and are looking forward to this being offered again. The MoonCatchers featured and thanked the library in their recent newsletter and on their Facebook account. *Photos below.* 

Sharon arranged for Nicole Meile from Rock and Soul Wellness to present *Mantras and Intention Bracelets*. Originally this program's registration was full with a waitlist, but due to the bad weather, not all attended. Chris covered the program and noted that the participants had a nice relaxing time.

Kate's Own Voices book group met in-person to discuss *The Sum of Us: What Racism Costs Everyone and How We Can Prosper Together* by Heather McGhee. Two new people joined this small group for a lively and excellent discussion.

Kate arranged for Robert Khalife to present another Lebanese cooking program. This time, the focus was on baking baklava. Robert did a great job not only demonstrating how to make baklava, but also speaking about his Lebanese culture and describing other common foods and desserts. We had at least 12 people at the baklava program. Folks had the option to bake along with Robert, and three people did. They said that their baklava came out great, and Robert got a lot of compliments.

Mary arranged for a new twist on the Coffee & Conversation program by adding a hands-on activity. The program *Remember the Ladies* was presented by Eileen Stelljes, who was dressed in period clothing and gave a talk about the heroines of the Revolutionary War. The participants were then able to do a small craft, which involved mounting copies of pictures of the heroines on paper and stringing them on ribbon to be a decorative piece. Patti, who covered the program, said

that it seemed as though all of the patrons who came enjoyed the program, and the presenter was knowledgeable and accommodating.

#### Outreach

In conjunction with the Sewing Bee program, Sharon collected donations of feminine hygiene products to donate to the local food pantry. Quite a few community members dropped off items.

Chris, Lauren, and Melissa from Circulation attended the National Senior Health and Fitness Day at the Elm Ave Park, sponsored by the Town Parks and Recreation department. It was a nice event with included activities, lunch, and a variety of community organizations. We gave out lots of goodies through our prize wheel as well as provided the opportunity for people to get a card or check out items through our Pop-Up Library. Not many items were checked out as many people mentioned they stocked up at the Friend's book sale over the weekend but it was still very successful to be present and to engage with the attendees. *Photos below*.

After a two-year hiatus due the pandemic, the American Legion and Town held the Memorial Day Parade. We had many staff members, Friends, board members, and family who participated in the parade. The float's theme was Oceans of Possibilities, this year's Summer Reading theme. Chris worked directly with teen volunteers to create the float for the parade and Catherine stepped in to drive the library van and coordinate the event in the director's absence. *Photos below.* 

Friend's Book Sale Fundraiser was held over a two-day period this year. It was very successful but not as busy on the Sunday compared to the Saturday. The weather on both days was extremely hot and humid. A water station was set up outside the library doors for anyone needing help to stay hydrated. This was the Friend's most successful fundraiser to date.

#### **Circulation and Technical Services**

The process for implementing fine free borrowing is being implemented.

In order to expand service to the public, more items have been made requestable through our online system. A few items remain unavailable for request, among those are: boardgames, museum passes, fishing poles, and magazines.

#### **Continuing Education and Committee Work**

Kate participated in the Youth Services Section Conference Planning Committee Meeting to finalize the selection of a venue and to work on finding an author and keynote speaker for the NYLA conference. She has been tasked to reach out to various authors and their agents.

Kate participated in the NYLA webinar Combating Racism in Libraries Part II: Evaluating for Inclusive Programming. This webinar was presented by Sharon Myrie, Vice President of Programs and Services at Queens Public Library, and Michelle Hamiel, CEO of Prince George's County Memorial Library System in Maryland.

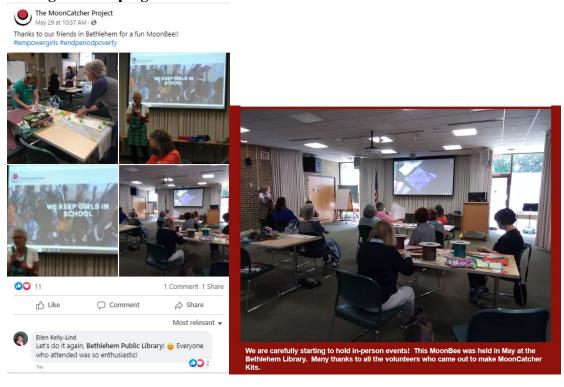

Chris participated in two Coordinated Summer Library Program listening sessions for members to voice their opinions for the 2025 summer reading slogan.

#### Meetings and miscellany

The library received a certificate from the Bethlehem School District for providing volunteer opportunities and job readiness training for the high school interns.

Geoffrey Kirkpatrick, Library Director

#### Sewing Bee: Helping School Girls Around the World

Help us support women in need! Through May 25, we are accepting new, unopened donations of feminine hygiene products to give to our local food pantry. A collection bin has been set up in the library lobby.

Memorial Day Parade

Memorial Day float in the making – Oceans of Possibilities (2022 Summer Reading theme)

# BETHLEHEM PUBLIC LIBRARY VIDEOCONFERENCING POLICY

Policy adopted by the Board of Trustees xxxxxxxx

The following guidelines shall govern how and when the library can conduct virtual and/or hybrid public meetings using videoconferencing technology:

Members of the board of trustees are required to be physically present at any duly noticed meeting unless such members unable to be physically present due to extraordinary circumstances (including disability, illness, caregiving responsibilities, travel, or any other significant or unexpected factor or event which precludes the member's physical attendance at such meeting).

Except in the case of executive sessions conducted pursuant to section one hundred five of the Open Meetings Law, and consistent with the requirements of the Not-for-Profit Corporation law, the trustees shall ensure that members of the library board can be heard, seen and identified, whether in-person or on video, while the meeting is being conducted. This includes but is not limited to any motions, proposals, resolutions, and any other matter formally discussed or voted upon.

Minutes of the board meetings involving videoconferencing shall include which, if any, members participated remotely and shall be available to the public pursuant to section one hundred six of the Open Meetings Law.

If videoconferencing is used to conduct a board of trustees meeting, the public notice for the meeting shall inform the public that videoconferencing will be used, where the public can view and/or participate in such meeting, where required documents and records will be posted or available, and identify the physical location for the meeting where the public can attend.

If videoconferencing is used to conduct a meeting, the library shall provide the opportunity for members of the public to view such meeting via video, and to participate electronically by submitting public comments and testimony via email to the director where public comment or participation is authorized.

As per New York State law, a quorum (4) of voting board members must be present in person in the event of a hybrid meeting with one or more board members participating remotely. Board members participating virtually must keep their camera turned on at all times.

Consistent with the Library's mission to serve its community, the trustees' use of videoconferencing shall utilize technology to permit access by members of the public with disabilities consistent with the 1990 Americans with Disabilities Act (ADA).

The board of trustees shall provide that each meeting conducted using videoconferencing shall be recorded and such recordings posted or linked on the library's website within five business days following the meeting, and shall remain-available for a minimum of five years thereafter, and such recordings shall be transcribed upon request.

For so long as the board of trustees elects to utilize videoconferencing to conduct its meetings, the library will maintain an official website, which is www.bethlehempubliclibrary.org.

June 9, 2022

Bethlehem Public Library Attn: Geoffrey Kirkpatrick 451 Delaware Ave, Delmar NY 12054

Re: Architectural & Engineering Services for Bethlehem Public Library Renovation

To Mr. Kirkpatrick:

We are pleased to provide this proposal for the Project Planning/Concept Study for the Bethlehem Public Library. The scope of services for this phase of the project is as follows:

#### Project Planning/Concept Study:

- Facility Needs Assessment
  - Building conditions review & assessment (Architectural, MEP/FP engineering, and site. Site assessment to include newly purchased adjacent property, building is slated for demolition)
  - Review in detail 2021 Master Plan, and any other existing testing or assessment documents
  - o Field measurement & base BIM Revit model creation
- Library Visioning & Programming
  - o Meet with library staff to assess current and desired space program
  - o Review and test 2021 Master Plan with Library leadership
  - Set project goals/guiding principles
- Community engagement
  - Assumption is that during the concept study, Library leadership will provide design feedback. Community engagement will begin once the project moves beyond Planning/Concept Phase.
- Concept Development:
  - Overall project concept development (Architectural, MEP/FP engineering, Site)
  - Basic cost development and refinement, phase scenario development
  - Plan and 3D diagram representation of scope
  - o 3-4 Interior and/or exterior renderings of design concept
  - Recommendation of project scope (all one project or first and subsequent projects for implementation)
- Project Planning Framework Document
  - o outlining the process and findings including all recommended phases
  - meeting with BPL Liaison to recommend timing of anticipated phases in correlation with grant applications and bond vote
  - o Preliminary coordination with SHPO requirements

#### Project Planning/Concept Study Schedule:

• 10 weeks from time of notice to proceed (anticipate summer 2022)

#### PROJECT PLANNING / CONCEPT STUDY FEE (LUMP SUM)

\$42,990

#### Consultant team for this phase of the project:

Ashley McGraw Architects (architecture) Vaysen Studio (visioning & programming) Sage Engineering (MEP/FP) Keplinger/Freeman Associates (site)

#### **ADDITIONAL SERVICES:**

- Community-wide engagement sessions
- Community-wide survey
- Community outreach (website development, meeting with individual community influencers, etc.)
- Professional cost estimating services
- Professional renderings of beyond the 4 provided in base scope
- Topographic & Boundary Survey

#### **REIMBURSABLE EXPENSES:**

- HazMat testing and assessment (it is anticipated that some additional testing
  may be required for Library structure upon review of existing HazMat report,
  and it is anticipated that testing will be required for the building slated for
  demolition on the newly purchase adjacent site)
- Structural engineering assessment (typically for existing conditions assessment, architectural review of the structure is sufficient. Should something of concern be observed, a recommendation for a structural engineering assessment will be provided)
- Specialty Printing (mounted renderings, large format prints, banners, etc.)
- Travel
  - Mileage at IRS rate
  - o Lodging, meals, and incidentals over \$10 at cost plus 10%.
- Government fees
- Legal services directly in service to project

Based on our conversation on June 2, 2022, the purpose of the Project Planning/Concept Study phase is to produce an understanding of how to proceed with design and construction. Correspondingly, the design phases will advance upon completion and approval of the study. Once approved, the project is anticipated to proceed as one design project with a multi-phased construction period. Please note that in moving forward with design, the project will have completed approximately 50% design at the time of the bond vote in May 2023. The schedule and milestones listed below are based around this assumption.

An alternative path discussed for project delivery is to proceed with multiple project phases with associated construction phases over an extended period. Should this path be desired, the schedule/milestones will be revised.

#### **Anticipated Design and Construction Project Milestones:**

- Schematic Design: Mid-September 2022 end of December 2022 (14 weeks)
  - o Start upon approval of planning/concept study phase
  - o Two-week review period between phases
- Design Development: January mid-April 2023 (14 weeks)
- Construction Documents: end of April end of July 2023 (12 weeks)
  - o Bond vote: May 2023
- SED submission: end of July 2023
  - SED review period ranges from 8-20 weeks
- NYS Library Construction Grant Application Submission: September 2023 or September 2024
- Bidding & Construction Award: TBD based on SED review period
- Construction Administration: construction start TBD based on SED review period (duration depending on phasing)
- Note: per our discussion 6/2/22, it is possible that some early packages could be developed, i.e. for the demolition of the building on the adjacent property not subject to SED review (to be verified). This will be determined as part of the Project Planning/Concept Study phase.

Fee table for design and construction administration

\$1 - \$1,999,999	9% (based on construction cost)									
\$2,000,000 - \$3,499,999	8.75% (based on construction cost)									
\$3,500,000 - \$9,999,999	8.5% (based on construction cost)									
Above \$10,000,000	7.75% (based on construction cost)									

#### Consultant team included for design and construction phases:

Ashley McGraw Architects (architecture & interior design)

Sage Engineering (MEP/FP engineering)

Keplinger/Freeman Associates (site design)

Ryan Biggs | Clark Davis (structural engineering)

Trophy Point (cost estimating)

#### Consultant team for services provided as reimbursable expenses:

Energy & Environment (hazmat/environmental design)

Vaysen Studio (furniture design)

If you have any questions about this proposal or would like to discuss any part of it, please do not hesitate to give me a call. Thank you for the opportunity to continue to do business with you.

Sincerely,

Susanne Gruening Angarano ASID, CID, WELL AP

Swanne Angarano

Principal | Ashley McGraw Architects, D.P.C. | Vaysen Studio

# VIRTUAL AUTHOR EVENTS

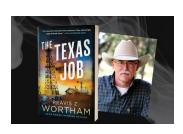

Get to know some of your favorite authors and enjoy Q&A opportunities with bestsellers through one of the following virtual author talks available to Bethlehem cardholders.

Sign up through the online calendar at bethlehem.librarycalendar.com.

**JUNE 29 • 7PM** 

Author talk with Reavis Z. Wortham: "The Texas Job"

Reavis Z. Wortham will discuss his new book, "The Texas Job." Set in 1931, this well-crafted crime novel features Texas Ranger Tom Bell, a supporting character in "The Right Side of Wrong," Wortham's third Red River mystery.

JULY 7 • 9PM

Author talk with Alka Joshi: "The Henna Artist"

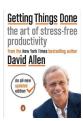

Join us for an evening with NYT Best Selling author and Reese Witherspoon Book Club pick Alka Joshi as she discusses her bestselling novels, "The Henna Artist" and "The Secret Keeper of Jaipur."

JULY 14 · NOON

Author talk with David Allen: "Getting Things Done"

Join us as we sit down in conversation with New York Times Best Selling author David Allen, one of the world's most influential thinkers on personal productivity.

**JULY 27 • 7PM** 

Author talk: Thriller Panel

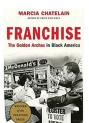

Join us for a live author event discussing their latest thrillers with Julie Clark ("The Lies I Tell"), Joshua Moehling ("And There He Kept Her"), and Carter Wilson ("The New Neighbor").

AUGUST 3 • 2 PM

Author talk with Dr. Marcia Chatelain: "Franchise: The Golden Arches in Black America"

We invite you to an invigorating discourse of scholarship and cultural history with Dr. Marcia Chatelain as she discusses her Pulitzer prize-winning book, "Franchise: The Golden Arches in Black America." Dr.

Chatelain, a highly accomplished professor and scholar of African American life and culture, is a frequent public speaker with expertise in food justice, race and ethnicity and Urban Policy.

The library will be

# CLOSED

Sunday, June 19, in honor of Juneteenth.

Access the catalog and other library services online at bethlehempubliclibrary.org.
