Summer Reading at the library

The library’s 2023 Summer Reading theme, All Together Now, explores concepts of kindness, friendship and unity. When you sign up for the library’s Summer Reading Challenge, you will track your progress through challenge cards for a chance to earn some great raffle prizes. You can also join us for themed programs all summer long — online and in-person. Check out the calendar at bethlehem.librarycalendar.com to see what’s coming up!

Registration for Summer Reading begins June 20 and can be done online at bethplny14.readsquared.com. The Summer Reading Challenge can be completed online. Once you sign up, you can start checking off your reading milestones right away!

For every challenge you complete, you’ll earn 100 points. Redeem 400 points for a digital raffle ticket and a chance to win an awesome prize from our local community. Challenges can be completed in any order. Complete all 16 challenges and receive 400 bonus points!* The drawing will take place and winners will be notified when the Summer Reading Challenge concludes.

*Please note: The 2023 Summer Reading Challenge is entirely online. There are no paper raffle tickets. Points are logged and digital raffle tickets are redeemed through your online Summer Reading account. A librarian can create and update an online account for you if you prefer to track your progress using the paper game card.
